

# TRADITIONAL HOME. Rising Stars of Design Awards 2018

## Sean Anderson

Sean Anderson's gift for maneuvering from masculine and modern to textured and timeless keeps us wondering what we'll see next. Antique burl wood pieces mixed with modern art? Patinated textures with polished metals? The Memphis designer's lovely layered spaces keep us coming back for more.

BILLY BALDWIN'S WORK ALWAYS SPOKE TO ME AS MASCULINE, WELL-TRAVELED, AND BALANCED."
